As our wonderful, crazy Florida weather has been in full effect, we need your help with keeping the germs away. Please, as you drop off your child, make sure they wash their hands before starting their day. This will help keep our school germ free.

We will be having our Easter egg hunt on April 17th, for all the children. We love watching their faces light up when they find the eggs. Donations of pre filled eggs will be appreciated! There will be a basket set up to drop them off in. Thank you for all that you do.

We would like to remind you to please check your child in and out using your fingerprint daily. This is very important, if its not working or you are having trouble, please let us know and we will help you.

A reminder that NPA closes at **5:30pm**. There is a late pick up fee of \$3 per minute. So please be here on time to avoid any extra fees!

Also, there is a \$100.00 referral credit to your account for every family you bring to NPA!! Thank you for all your cooperation and sharing your children with us.

### FOURS

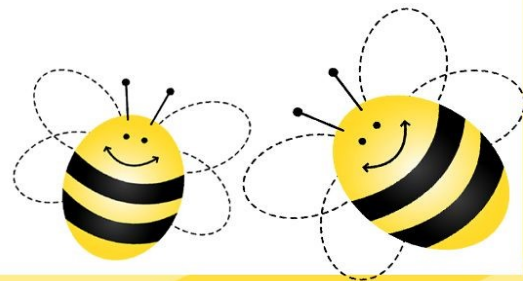

I have really enjoyed getting to know the wonderful students here at NPA! I have been encouraging my 4 year old kiddos to practice learning their days of the week and months of the year, so please ask them what day/month it is ! Many of you may have noticed daily sheets being sent home-this is just another way for me to share your child's progress and any areas where they may need additional support. Please feel free to get in contact with me about anything on the sheets or general queries. I am hoping to have my contact info. In their daily folders soon, but for now you can speak with me during drop off/ pick up or write a note on their daily sheet. I look forward to continuing to get to know all your kids as well as parents!

Ms. Maureen

### THREE'S

Another month has flown by, and we are excited for what the new month will bring! I am pumped and ready for the adventures that await me in the three year old classroom! This month is all about animals, from the jungle to the zoo. We will continue practicing counting all the way to twenty, as well as reviewing our colors. Parents please label all of your child's belongings, this will help prevent any losses or misplacements. Thank you for sharing your beautiful children with me, I look forward to helping them learn and grow.
