INFANT NEWS

Happy New Year!
Here comes January.... Wow, the year has flown by.

The infants would like to welcome our new friend, Victoria, to the infant room. This month we will be talking about mittens, hats, snow, snowflakes, hot coco and winter animals. We will be reviewing letters Q, R, S and T. Our numbers that we will be reviewing are 0, 1 and 2.

Now that it's a new school year please remember to label all your belongings.... Bottles (tops and bottles themselves) bowls, spoons, food, snacks, extra clothing, sheets, blankets, bibs, wipes and anything else that you bring in. This will make sure that all their belongings stay with the correct child. Thank you so much!

Please always read to your child every night and go over their day with them. Please remember to go over ABC as well.

Mrs. Ivy and MRS. Soraya

ONES NEWS

In the ones we would like to welcome a new teacher, Ms. Marie!

For the month of January, we will be celebrating Charlotte's birthday. We will also be reviewing the letters Q, R, S, and T. The colors for this month are blue and silver. The shapes are hexagon and diamond.

I would like to remind you to keep reading to your children every day, and label everything with your child's first and last name.

Thank you!

Mrs. Yudy and Ms. Marie.

HAPPY NEW YEAR! Hello January, it's time for some new year fun. We have a lot of yummy and fun things planned for this month and are ready for all the cool adventures and activities. We will be learning a lot and bringing in the new year with a lot of fun and cheers and all the things that come with it; like snowflakes, winter fun and many more things. We will learn about different shapes, like diamonds and octagons. Colors like silver and blue. We will also be celebrating Arabella's 3rd birthday! She will be moving up to the 3's and we will miss her dearly; we are so happy that she is apart of our little family.

This is going to be a fun month! I'm super excited to bring in the New Year with my little ones.....Love Ms. Loissa.

THREES NEWS

Happy New Year Everyone! With the new season of winter, we will be covering the topics of Winter Wonderland: cold weather wear (scarves, mittens, hats) and activities (drinking hot cocoa and building snowmen). We will also be learning about animals we can see in winter! Our letters for this month will be Qq, Rr, Aa, and Tt, and our numbers are 11, 12 and 13. The month's shapes will be hexagon and diamond, and colors will be blue and silver.

During this cooler month I appreciate parents having jackets available in your child's cubby, as well as blankets and sheets for nap time. I would also be grateful for any spare clothes to be suitable for these colder days. Thank you to all my parents for your continued support throughout our science experiments and cooking projects. I am looking forward to many more to come in the new year!

Warm regards,

Ms. Maureen
