As our wonderful, crazy Florida weather has been in full effect, we need your help with keeping the germs away. Please, as you drop off your child, make sure they wash their hands before starting their day. This will help keep our school germ free.

We are postponing our Easter egg hunt until further notice. We will let you know when and if we will do it. Also we have cancelled our annual Easter Bonnet parade. We are so sorry!

VPK Parents

We need to know what your child wants to be when they grow up. We are asking for your help with this because the children give different answers when they are by them self and not a room full of friends . Thank you. Save the date, June 4th is our big day. GRADUATION!

A reminder that NPA closes at **5:30pm**. There is a late pick up fee of \$3 per minute. So please be here on time to avoid any extra fees!

Also, there is a \$100.00 referral credit to your account for every family you bring to NPA!! Thank you for all your cooperation and sharing your children with us.

We hope everyone is staying safe during this time!

During this time, we will take your child to their classroom and all parents/guardians will need to wait in the lobby. We will also get them from their rooms and bring them to you at pick-up time.

If your child shows ANY signs of sickness, please keep them home, or they will be sent home immediately.

We all are doing our part to stay healthy!

As of now, we plan on staying open for parents who are in need. Remember please keep checking Facebook for updates! We will be posting any closures and any other updates on there!

If you have any questions, please just let us know.

We will be learning a lot and bringing in the new month with a lot of fun and cheers and all the things that come with it like our classroom Easter bunny hunt and learning about animals in action. We will learn about shapes and colors like triangles, rectangles and colors like brown and gray. We will also be celebrating Michelle's birthday, she will be moving up to the three's and we will miss her dearly for she has been an amazing addition to our family and we love her so much. This is going to be a fun month, we are excited to bring in the month of love with my little ones. Also parents please remember to not bring toys from home into the classroom.

Love,

Ms. Loissa and Ms. Julizza.

THREE'S

Happy Easter everyone! This month we will be learning all about various animals--from the jungle, farm, safari, those which would be seen in the zoo or circus, as well as the ever-popular topic of dinosaurs! Because these are such broad topics, we really appreciate caregivers expanding their student's knowledge by discussing each day what they have learned. The public library has a wealth of books on each of these subjects, and I am always available to provide relevant activities to send home. Our colors for April will be Brown and gray, shapes will be triangle and rectangle, and we will be reviewing letters Pp-Zz and the number 20.

The week before Easter we will be able to provide details about our planned activities in observance of the holiday.

Warm regards,

Ms. Maureen
