What a busy month! October was full of fun, fall activities with the children. We will continue to do many more fun activities. The children are learning lots of new songs and finger plays.

We will have a small Thanksgiving feast with our children this year. Unfortunately, we will not be allowing to have the parents join us this year. We look forward to this feast every year and will take lots of pictures. Please watch for sign up sheets to be sent home or on our front door. We hope to still have our parents volunteer to bring food for our family style Thanksgiving feast.

Gobble Gobble,

We would like to welcome our new friend Logan to the infant room!

Please continue to label all bottles and sippy cups and all clothing that belongs to your child.

The month of November we will be talking about families, cultural diversities, Thanksgiving and animal families. It's our favorite time of the year! Our letters that we will be reviewing are M,N,O,P. The colors that we will be going over are brown and purple. Numbers for the month are 9 and 10. The shapes are triangle and heart.

Please always read to your child every night and go over their day with them. Please remember to go over ABC as well.

“If someone needs a friend be one.”

I'm so happy to have the pleasure of teaching all your children. We are having lots of fun playing, singing and dancing. We are reading lots of books and having circle time learning letters, finger plays and numbers.

Please make sure your child's name is on everything you bring in. I have lots of fun activities planned for our little ones for November. Please read to your child every night.

TWOs NEWS

Can you believe it's already November, where has the time gone? This month we would like all parents to bring in a family picture for our Ohana board. Our overall theme for this month will be families, we will be focusing on cultural diversity, individual families, animal families, and finally thanksgiving. We would like to do a potluck with small dishes provided by parents to show and appreciate different backgrounds. The date will be posted on the door later on later this month along with class allergies. Students will also be learning about letters M-P and the numbers 9 and 10. They will be learning about the colors brown and purple and 2 shapes this month which will be the triangle and heart. We will be celebrating 3 birthdays this month, Kayleigh, Mayah, and Noah. We will be sad to see them go, we've enjoyed them so much but we know they will do great in the 3's classroom. We would also like to welcome two new students into our class room Sebastian and Alessia. We are excited to have them join us.

Friendly reminder to read to children every night before going to sleep and practicing ABCs.

HAPPY FALL

-Ms. Marie and Ms. Abby

THREES NEWS

The end of the year is fast-approaching and we have so many more fun things to learn about. In November we will be discussing topics of cultural diversity, our own families as well as families which may be different from our own, animal families, and the holiday Thanksgiving. Our monthly letters will be Mm, Nn, Oo, and Pp, and our numbers will be 9 and 10. Our theme's shapes are heart and triangle, and colors will be brown and purple. In order to gain a better understanding of this month's theme, we may be sending home activities to complete with your child, such as papers about the family's cultural background. We appreciate your support in extending learning beyond the classroom! As always, if there is anything you wish to discuss or would like support with, please do not hesitate to reach out.

Warm regards,

-Ms. Maureen
