February

News from the office...

Hope everyone is doing good and off to a good healthy new year. Lots of changes coming! We have some fun days planned for the children so watch for sign up sheets.

Dental Visit

A local dentist's office will be sending the local "tooth fairy" to speak to the children about dental health. It should be a great way to get kids excited about brushing their teeth and keeping them cavity free.

Valentine Day Party

We will be having our party on February 14th, please wear red, pink and white that day. Sign up sheets will be posted on the front door in the lobby.

Extra Clothes

Please make sure your child has extra clothes and if we send them home, please send more back. Thank you.

A reminder from NPA Staff: NPA closes at **5:30.** a late pick up fee will be applied to those who pick up after 5:30. The fee is \$3/min.

Thank you for all your cooperation and support.

Happy Valentines Day,

The month of February we will be talking about loving, sharing and being nice. It's time to start fresh. Our letters that we will be reviewing are P and W. The colors that we will be going over is Pink. Number for the month is 8. Our wonderful shape is a heart. We are also learning nice hands and hi and bye. Our kids are coming into a very exciting phase as they are standing and already trying to walk. They are saying mama and dada and some even know their name. Please continue to label all bottles and sippy cups and all clothing that belongs to your child.

Please always read to your child every night and go over their day with them. Please remember to go over ABC as well.
