Our second half of the school year is moving right along. Here are a few changes that has happened in our school:

We have divided our threes and four year old's into two classes. Miss. Molly is teaching the threes and Miss. Loissa will teach the fours. The new classroom schedules and activities are underway. The children are happy and have adjusted nicely to the new routines. I can hear little voices singing songs and laughing. **Please have your children here by 8:30/9:00am at the latest**, as we start breakfast at 8:30 and go straight into circle time. It's important they are here between those times so they can engage in learning.

Along with the children's accomplishments, you as parents have been wonderful. Thank you! We appreciate you being so patient in the morning's and afternoon's as we get your child and their belongings.

Please check our school calendar often for important dates and activities that are coming up. We do post on the front door too, along with the classroom lesson plans. We have some fun and busy days coming up, and look forward to sharing it with you!

We are going to share pictures with each newsletter, so you can see all the fun the children are having at NPA.

A reminder from NPA Staff: NPA closes at **5:30**. A late pick up fee will be applied to those who pick up after 5:30. The fee is \$3/min.
