Infant News

Welcome May!

It sure was fun being in the infant room. Lots of cuddles. They are a bundle of joy to watch grow. They did lots of fun projects, and the sensory art was very interesting. Love watching toes wiggle in the sand or in the water. They were singing finger plays, they especially like the wheels on the bus. Be sure to read to your child every night. Please make sure you label all bottles and caps with the child's full name. You are all doing great as parent's. Keep up the great work.
