Infant News

Welcome June!

It sure is fun being in the infant room. Lots of cuddles and hugs! They are a bundle of joy and so fun to watch them grow, even in the short time that I have been with them. They did lots of fun projects, and the sensory art was very interesting. I can't wait to see what is in store for June. They were singing finger plays, they loved the itsy bitsy spider. Be sure to read to your child every night. Please make sure you label all bottles and caps with the child's full name.

One's News

Summer is finally here! It's time to kick back and have some fun. This month the kiddies will be learning about under the sea adventures and will be focusing on the letters O/Y, the number 12, the shape octagon and the color grey. We have 2 birthdays this month, Malcom will be turning 2 and so will Derek. I am excited to be the one's new teacher and I am learning more about their personalities day by day and I have to say their really grown adults in kids bodies, all very smart! We have water days planned ahead so we will inform you when to bring bathing suits. May the fun begin!

Thank you, Miss Louna
