ONE'S News

Summertime is coming to an end. No more water days, time to bring on the books! As August approaches we are getting ready to go back to school! This month we will be focusing on the letter R, the numbers 0-12, the semi circle shape and the colors of the rainbow. Our theme this month is the rainforest. I'm excited to share with the kids what animals reside there. It has been so much fun getting to know each of your children during the summer. They have such fun little attitudes. Please remember to label all items.

Thank you, Miss Louna
