Oct. 15th.....NPA Closed Teacher in-service day

Oct. 28thCostume Parade/ Trunk or Treat

Oct. 29th.....Fall Celebration (6-7:30 pm)

Teacher In-Service Day?

We have meetings, work on our lesson plan, we have guest speakers, cpr/first aid, do some cleaning and some more trainings.

Costume Parade

The children will dress-up and we will parade around the school, play games and do our trunk or treat.

Trunk or treat is where we have parents volunteer to decorate there car or truck and pass out candy or goodies to the kiddos. The children really love this and so do the parents.

We will have sign-ups for this.

Fall Celebration

Is a family get together with games, singing and dancing and your kids can dress up for this. (optional)

A reminder from NPA Staff: NPA closes at **5:30**. A late pick up fee will be applied to those who pick up after 5:30. The fee is \$12 per 5-minute increment. If to many late pick-ups are encountered, this may result in termination of services.

Thank you for all your cooperation and support.

This month we will be learning about the letters B,C, and H. We also will be learning about the letter 4 and about ovals. Our color of the month is orange so we will be doing lots of art and activities revolving around those things. Last month we welcomed Daisy's sister Julia into our class and we are all so excited to have her! Parents please make sure to bring in an extra change of clothes for your kids and make sure everything is labeled. On Friday the 29th the school will be having a costume party! Parents please have your kids wear their costume and if you would like to bring any treats in for that day please feel free too!

Love,

Three's News

Hello, October

This month the 3s will be learning the following letters (Bb, Cc, and Hh) and seeing how they are used in sentences correctly. We will also be having fun with counting numbers 1-4, so the kids get familiar with seeing them. Drawing ovals and seeing what shapes can come out of them is another one so the kids have fun learning. Lastly they will be learning what the color orange is and what items- animals, or things come in the color to make things more exciting . I can't wait for you to see how these little ones grow in Learning. :)
