Merry Christmas!

It's the last month of the year! The kids have done a lot of amazing things so far, we are so excited to continue the fun before the year is over!

We are ready for parents to come back into the school! Please keep a look out for door codes. We will also set you up with fingerprints to sign your child in/out. As we are still trying to reduce germs and keep disruptions to a minimum in the classrooms, please knock at the door or window and we will send your child out the door to you for pick up. If you need to meet with the teachers, please set up a time that will work for you both. If you have any questions or concerns please see

Three's News

Ho, Ho, Ho, Merry Christmas to all my little elves. I'm so happy to be in the three year old class-room with all my little friends and some new ones. We are going to be working hard on some Christmas projects for our house, and learning some fun Christmas songs. We will be working on our letters and numbers as well. Please remember to put your child's name on everything. My little friends are very independent and want to do things for themselves and they misplace in wrong cubbies, etc.

LOVE, Miss Marie
