Three's News

Where did the time go!? I cannot believe it's already 2022, Happy New Year!

We are going to have an amazing new year!

I would like to welcome Jovi and Alessia into the three year old room. The curriculum for this month is "Penguins, Polar Bears & Blizzards OH MY!". We will be focused on the letters Pp and Ww, the number 7, the color blue and rectangles. I can't wait to see what this year has in store for us all.

Friendly reminder; Students are becoming more and more independent and encouraged to do things on their own such as put on shoes, use the potty and wipe, place objects in their cubby, put sheets on cots etc. So please label everything with first and last names from home so I can reassure they do not get misplaced.

Happy New Year
Miss Marie
