

February 2022 Newsletter

From the office...

Dear Parents,

During the past month our preschoolers have been hard at work, exploring different snow related themes. Penguins, Polar Bears and talking about blizzards. This month we are covering themes to do with the month of February. Ground hog day, Presidents Day and Dental Health Awareness.

Class list will be sent home.

We want to thank the Tecza family, for getting us everything we needed to have a fish tank at NPA. The children are going to enjoy it. Thank you!

A reminder from NPA Staff: NPA closes at **5:30**. A late pick up fee will be applied to those who pick up after 5:30. The fee is \$12 per 5-minute increment. If to many late pick-ups are encountered, this may result in termination of services.

Thank you for all your cooperation and support.

One's News

Welcome February!

My name is Tiffany and I'm so happy to be the new one's teacher! I can't wait to get to know your little ones and care for them as they learn and grow here at NPA. I'm a Naples native, currently studying Elementary Education because of my love of working with children.

This month we will be celebrating the season of love through many fun activities. We will be learning many things, with a focus on the letters V and R, the number 8, the heart shape (in honor of Valentine's Day) and the color pink! This month we're also celebrating Emery's birthday and saying goodbye as she moves up to the next classroom!

With Love, Miss Tiffany

Two's News

Welcome February!!

The month of chocolates and love!

This month we celebrate our friend Jovie's birthday and we welcome our new friend Emery! We are also so excited to be learning so many new things this month like the letters V and R and about the number 8 and the shape of a heart! On Monday the 14th we will be having a Valentines party! Parents please make Valentines boxes for your kids to put little cards and candy in!

Thank you!!

Three's News

Love is in the air!

I can't believe the first month of the year flew by and we already covered so much. This month the theme is "We love you bunches." Children will be learning about the letters Vv and Rr. The number eight, the color pink, and learning about hearts. On Monday the 14th we will be having a Valentines day party where students can bring in a decorated box to receive Valentines day cards/candy from friends, papers will be sent out. We have no birthdays this month but we will be welcoming a new friend into the classroom.

Parents please remember that I encourage independence in my classroom and students usually perform tasks by themselves so please make sure everything you send with them is labeled.
