One's News

Theme is dinosaurs!
Letter D, E and Q, number 11, shape is trapezoid, color is brown

This month we're also celebrating Jax and Fin's 2nd birthday!

With Love,
Miss. Tiffany

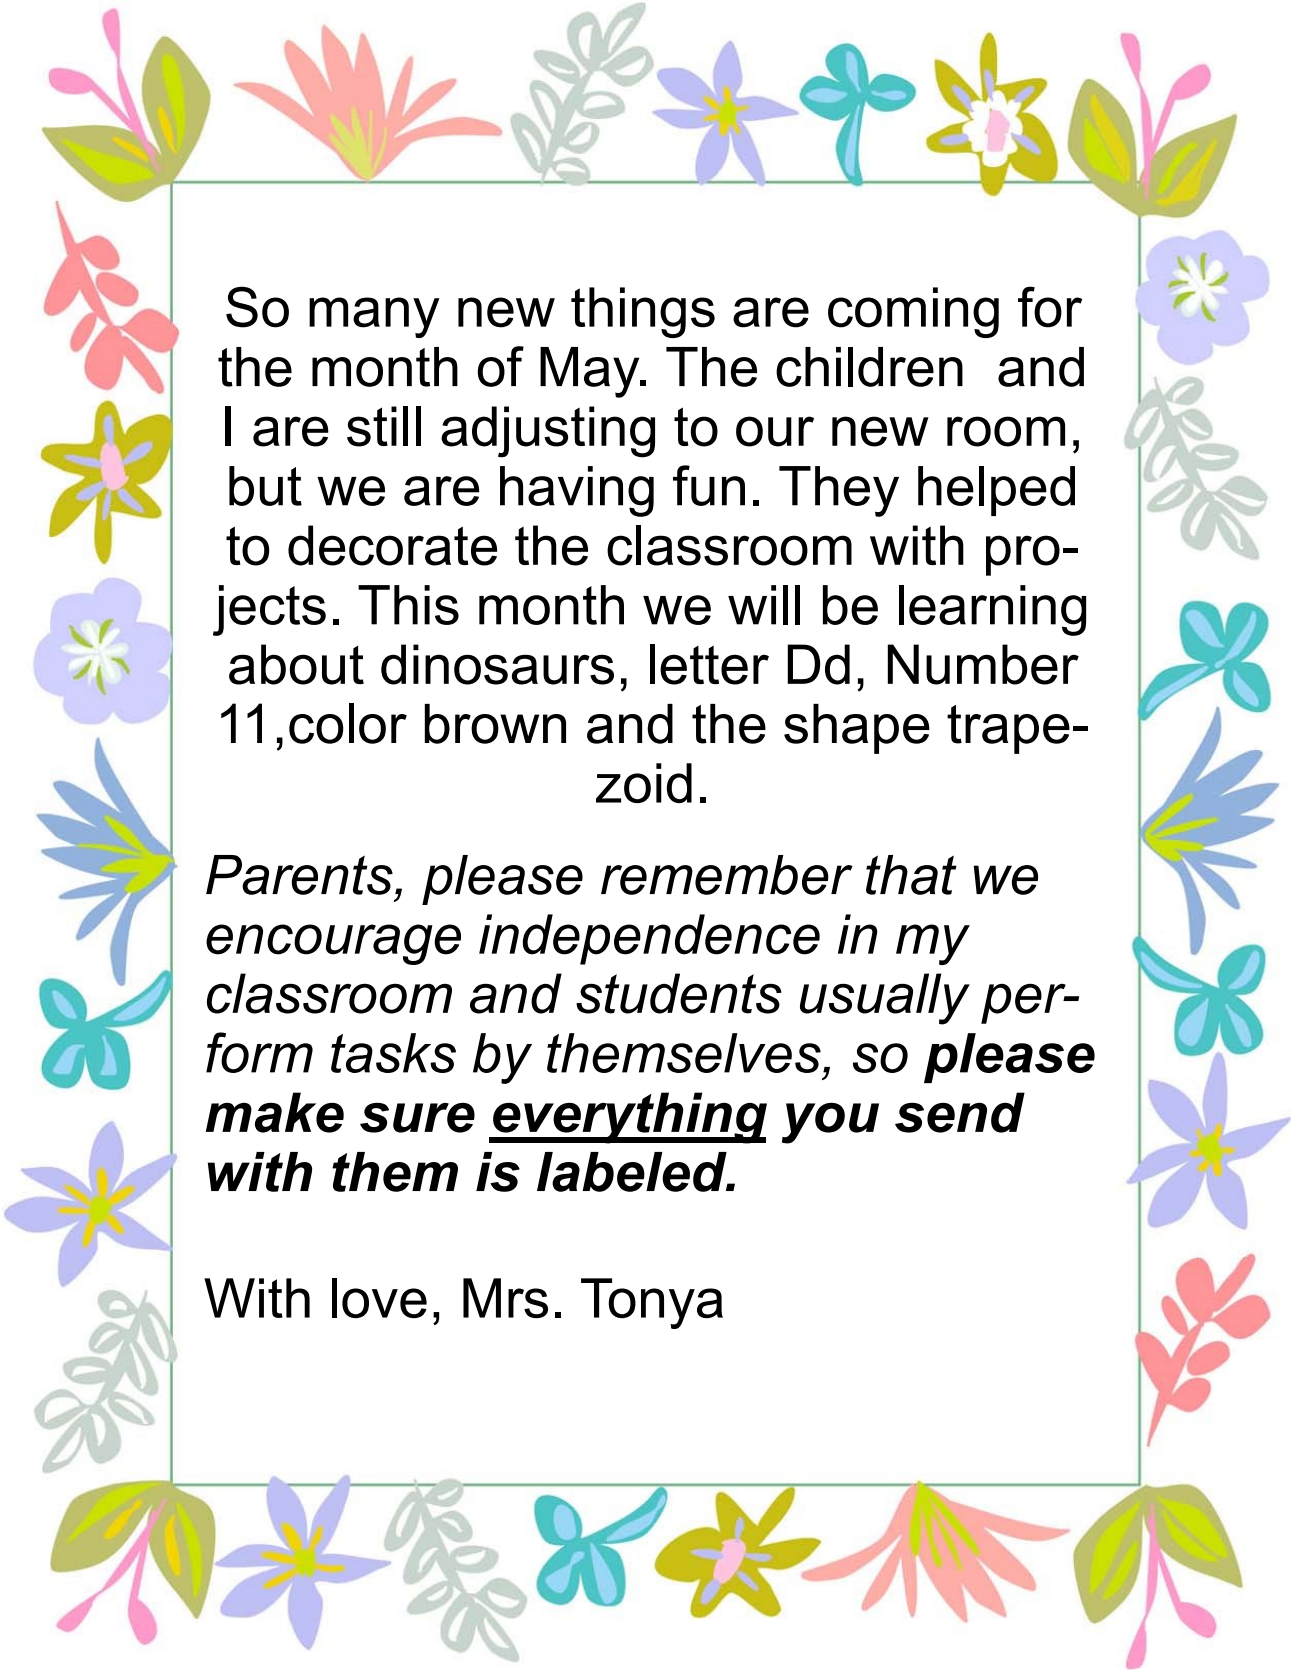

Two's News

A decorative border surrounds the text, featuring a variety of colorful Easter eggs (red, yellow, blue, purple, and brown) and butterflies (blue, purple, yellow, and red) interspersed with green vines and small flowers. The border is arranged in a rectangular frame around the central text.

So many things to do in the month of May. Our theme is Dinosaurs, letter Dd, number 11, our shape is a trapezoid and the color brown. We have one birthday this month. Malcolm will turn three, Happy Birthday, Malcolm! Please make sure your child has his or her name marked on everything. They like to move things around and set cups in places we don't always see. This just helps us keep stuff together for when you come to pick up and a lot of kids have the same cup.

Let's have fun this May!

Three's News

So many new things are coming for the month of May. The children and I are still adjusting to our new room, but we are having fun. They helped to decorate the classroom with projects. This month we will be learning about dinosaurs, letter Dd, Number 11, color brown and the shape trapezoid.

*Parents, please remember that we encourage independence in my classroom and students usually perform tasks by themselves, so **please make sure everything you send with them is labeled.***

With love, Mrs. Tonya
