# One's News

A collection of outdoor gear items arranged around a central text block. At the top left are a pair of grey binoculars. To their right is a tan straw hat with a dark band. Below the binoculars is a light blue water bottle with a dark cap. To the right of the water bottle is a teal compass. At the bottom right is a large teal backpack with a smaller light blue water bottle attached to its side. The items are set against a light green background with some small green leaves scattered around.

Happy Fourth of July! This month's theme is "Zany zoo animals", with a focus on the letter Z, the number 0, the color aqua blue, and the shape of a hexagon. These concepts will be simultaneously exposed through many different hands-on opportunities, as they learn through play and experimentation. We're also excited to have two new one-year-olds in the class, Sarai and Emilio!

Parents, please be sure that all items brought to the school have your child's name!

With Love , Miss Tiffany

## Two's News

Happy 4th of July. We will be learning about animals and red, white and blue for the forth.

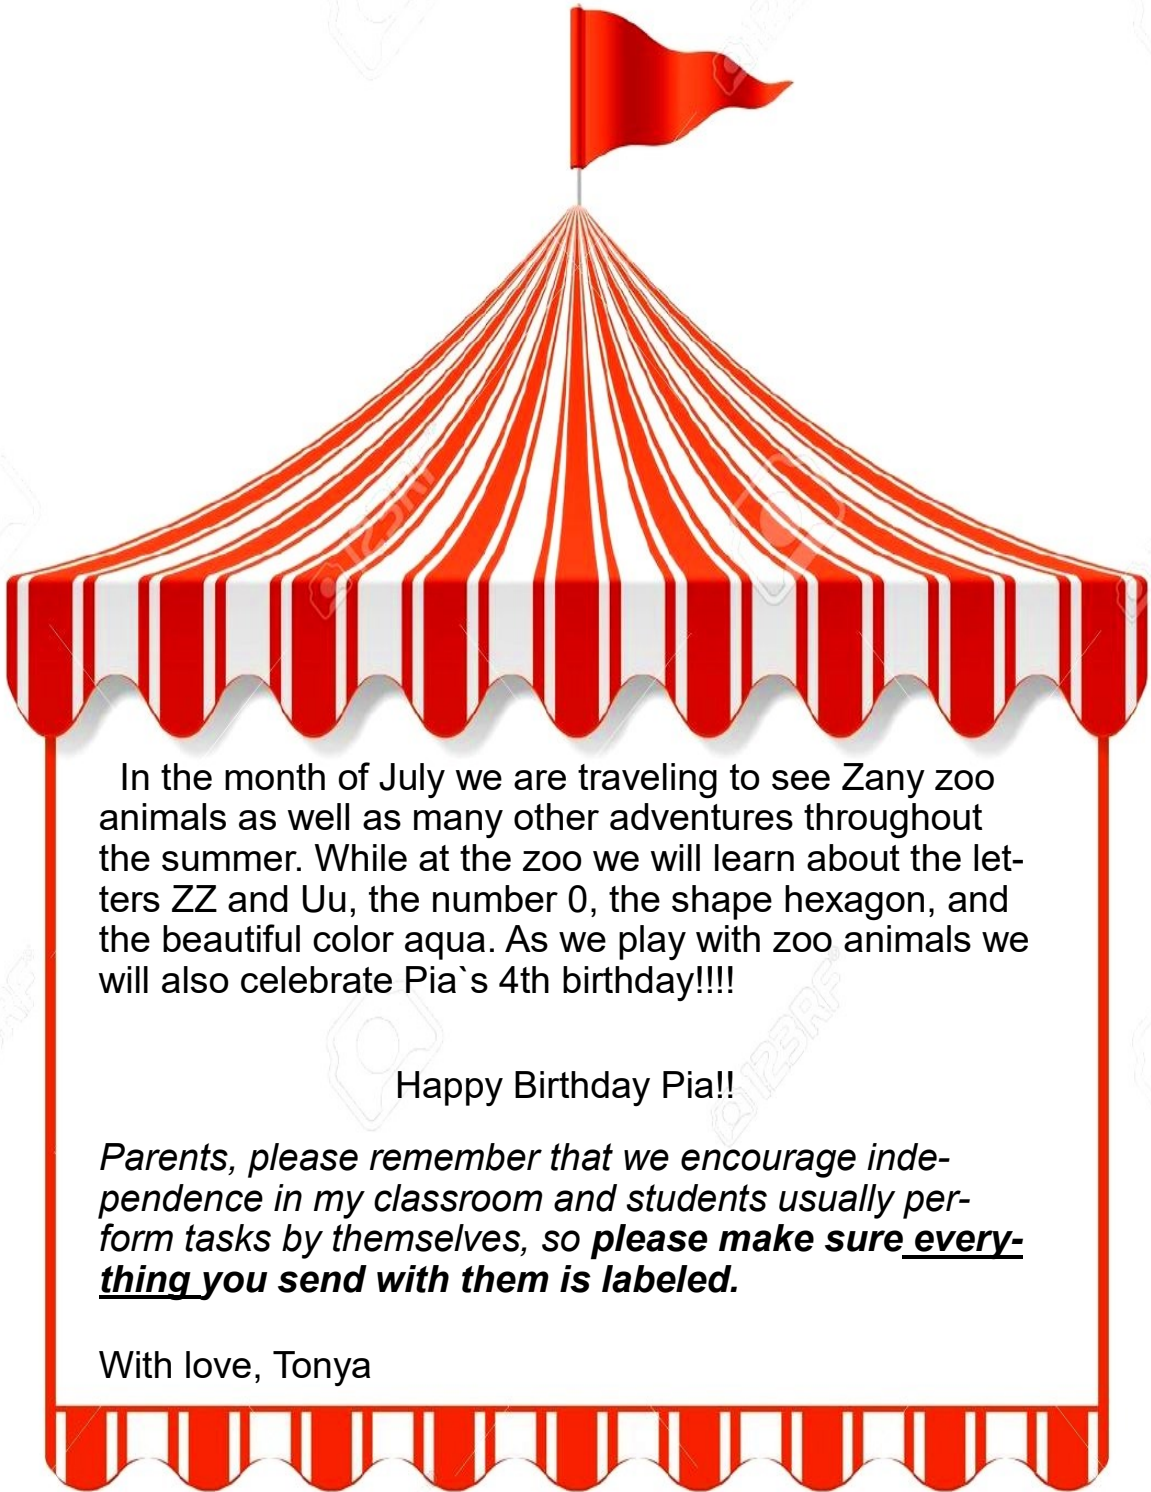

We will be doing some indoor camping, a bugs life with a scavenger hut for bugs, and finishing up the month with the carnival! We will still be doing water days switching to Thursdays and some sweet treats to go along with our themes. Here's to another fun month!

Miss. Loissa/Miss Kiara

## Three's News

In the month of July we are traveling to see Zany zoo animals as well as many other adventures throughout the summer. While at the zoo we will learn about the letters ZZ and Uu, the number 0, the shape hexagon, and the beautiful color aqua. As we play with zoo animals we will also celebrate Pia's 4th birthday!!!!

Happy Birthday Pia!!

*Parents, please remember that we encourage independence in my classroom and students usually perform tasks by themselves, so **please make sure everything you send with them is labeled.***

With love, Tonya
