Dear parents of our Infants B Class,

Welcome to April!

Spring is in the air and we are excited to welcome the new season! Let us give a big cheer!

Our little ones have been learning so much and like the flowers that bloom, the babies will continue to blossom as well and develop new milestones.

Our infants will be introduced to the sounds and sights of SPRING, including flowers blooming, birds chirping, the warm sunshine on their skin and the animals that also love spring.

We will be working on the following areas of learning for this month: letter Jj & Aa, shape; rhombus, number; 10, color; purple.

We will also be focusing on sensory experience, allowing our little ones to explore and learn through touch, smell, sound and by exploring nature.

We are pleased to announce 2 new babies of the month and we are excited to watch them grow and thrive this spring.

As always, please feel free to reach out with any questions or concerns.

Sincerely,

Ms. Lumi
