Summer is definitely here! Please make sure to bring your child's water bottle and we will make sure to keep it full. Parents, it's very important to put your child's name on everything. We are getting duplicate cups, shirts, pants, etc and do not know who they belong to.

We will continue to have water day and pizza Fridays. The children are enjoying the laid back summer and having fun with all their friends. Please remember to put sunscreen on your child at home as the teachers are not allowed to apply it.

WELCOME TO 2'S CLASSROOM

This month is all about the ZOO...

This month we will learn all about different zoo animals, temperature (hot and cold), the letters Z and U, the number 0, the color AQUA, and the shape HEXAGON.

Ms. Jasmine actually used to work at the zoo and has a lot of really cool pictures, videos and stories for the class about zoo animals! Please remember every Wednesday this month will be water day for our class. All they need to bring along with them is their towel. Have your child come dressed in their bathing suit. We will change them afterwards. Also make sure to apply sunscreen to your child since we may not. Lastly, please keep in mind our class heavily focuses on POTTY TRAINING. If you have sent your child in underwear and they are doing well please continue to do so. They are doing so well!

Please reach out to us if you have any questions at all

Ms. Catherine and Ms. Jasmine
