Infant News

HELLO WONDERFUL PARENTS,

We are excited to welcome the new month of the year, OCTOBER!

We hope that it's going to be an exciting month in our infants class as we'll be exploring the wonderful world of farm animals.

We will be introducing your little ones to some of the most adorable farm animals like cows, chickens, pigs and sheep. Reading is a cherished activity in our class. We will be reading wonderful farm animals stories that captivate the infant's imagination and also we will be singing farm themed songs encouraging your infants to clap, stomp and move to the music. Sensory play will be a big part of our FARM ANIMAL ADVENTURE and also our little artists will be creating farm animal themed playing with soft plush toys for tactile exploration.

Our letter for this month is T, the number is 4, the color is orange, and the shape is oval.

We also congratulate 3 adorable babies (Charlie, Oliver and August) who this month will be turning one year old!

We are going to have a FARM DAY where your infants can dress up as their favorite farm animals or farmers.

Please make sure to label all of your child's belongings with the first name, especially your Child's water bottle.

With love,
Ms. LUMI

2's News

WELCOME TO LIFE ON THE FARM!

This month's theme will be Life on the farm! We will be focusing on the letters T and I, the color orange, the number 4, and the shape Oval! We will also be learning about different farm animals and doing different projects relating to them. As you may have seen this past month, I have put a "cooking project" on the lesson plan every week. Every week the kids will make something delicious for them (and sometimes you) to enjoy! Please remember to look at the weekly lesson plan posted outside of the classroom to make sure that you are okay with the planned "cooking" activity!

Here are just a few reminders for the two's class:

- In this class, we heavily focus on POTTY TRAINING! Please send lots of extra clothes if your child is just beginning the process. There will be accidents!
- If you are ready for your child to start potty training, please start with them during the weekend and we will continue throughout the week!
- If your child is doing well with potty training and they are in underwear, keep them that way please. If they are put back in pull ups they will get confused, which can make the process more difficult.
- Please leave pacifiers at home! As per our handbook, pacifiers are not supposed to go past the one year old room.

Please reach out anytime if you have any questions at all!

Ms. Jasmine
