Happy Valentines!

This month will be full of extra love, sugar and learning! Our theme of the month is "Love is in the air."

Our color for this month is pink. Number is 8. Letters are Bb and Ll and shape is a heart! We will be making our very own mailboxes as a class and passing out valentines to each other on February 14th (which is also Ms. Jasmine's birthday!), and we will also be having a Valentines Day party so be on the lookout for a sign up sheet on the door! We will be HEAVILY focusing on potty training this month for the ones who are turning 3 within April-September! If you are ready to start the process do not hesitate to reach out to us. As always, thank you for all that you do and know that you are appreciated!

Just a few reminders:

- In this class we heavily focus on potty training! Please send lots of extra clothes if your child is just beginning the process. There will be accidents!
- If you are ready for your child to start potty training, please start them during the weekend and we will continue throughout the week!
- If your child is doing well with potty training and they are in underwear, keep them that way please. If they are put back in pull ups they will get confused.
- Please leave pacifiers at home. As per our handbook, pacifiers are not supposed to go past the one year old room.

Please reach out at anytime if you have any questions!
