Your mountain is waiting so get on your way!

Because when you stop and look around,

this life is pretty amazing".

## Two's

The 2's are going to the Moon!

This month we will be learning all about the moon. We look forward to a month of learning and joy!

We will also be celebrating St. Patrick's day! Look for a sign up sheet for our party to come!

As cold and flu season is among us, please be mindful of those big and small here at NPA if your child is sick.

Just a few reminders:

- Please regularly check and clean out your child's cubby.
- Please send lots of extra clothes, we do get messy!
- If you are ready for your child to start potty training, please start with them during the weekend and we will continue throughout the week!

Please make sure you have a labeled water bottle every day.

As always, thank you all for everything, you are all very appreciated!

Please reach out anytime if you have any questions at all!

Ms. Jasmine & Ms. Paige

### Friendly Reminders:

Please make sure you remember to bring your child's water bottle everyday!

Please bring extra clothes for your child as accidents do occur especially if your child is still in potty training!

Make sure ALL things are labeled with your child's name such as water bottles, lunch boxes etc!

# Four's

3,2,1.....BLAST OFF!

Welcome March,

Hold on as we fly through space learning about the stars, color black; but wait on our way we are going to look for our floating letters "Rr" and "Ee". The fun doesn't stop there. We are going to look for Exoplanets 15 and 16 as they are homes to some pretty cool creatures. So hold on tight for some learning fun!

Thanks Ms. Virginia

Please remember it is going to start to get warmer out so please bring your child with a labeled water bottle everyday!
