From the office...

Dear Families,

We had a wonderful first month of school! It was such a joy welcoming all of our new and returning students. The children are settling in beautifully, making new friends, and getting comfortable in their classrooms.

As we head into September, we're excited for all the fun and learning ahead! This month, we'll be exploring fall themes, enjoying hands-on activities, and celebrating the season with art projects, songs, and stories. We'll also begin working on classroom routines and introducing new concepts in playful, age-appropriate ways.

Thank you for your support as we kick off what we know will be a fantastic school year. Stay tuned for updates on upcoming events and special days!

Infants

Dear parents,

We are excited to welcome the new season with cozy activities in the infants room!

This month we will be exploring the theme of Apples in The Fall. Even our youngest learners can experience the sights, smells and textures of autumn.

Our letter for this month is M, numbers are 3 and 4, color is red and shape is a circle. We will be exploring sensory play, tummy time fun, we'll be singing songs about apples and we'll be using scarves like falling leaves.

Thank you for partnering with us as we celebrate this special season of discovery. We look forward to lots of smiles, giggles, and cozy fall days ahead!

With warm wishes, Mrs. Lumi

We're off to a wonderful start to the school year! August was full of smiles, new friendships, and lots of curiosity. It's been such a joy getting to know your little ones, and we're so excited for all the fun and learning coming our way!

As we step into September, our classroom is embracing the changing season with our new theme: **"Apples in the Fall."** This month, we'll begin learning all about fall and the special things that come with it—colorful leaves, cooler weather, and of course, apples! From apple-themed sensory play to songs and stories about fall, we're ready for a month full of discovery and excitement.

Here's what we'll be focusing on in September:

- Letter of the Month: Mm
- Color of the Month: Red
- Shape of the Month: Circle
- Numbers of the Month: 3 & 4

Each week will bring new, age-appropriate activities that support early development through play, songs, stories, art, and sensory experiences.

Thank you for your continued support as we grow and learn together. Don't forget to check your child's cubby and folder for artwork, reminders, and any updates.

Let's have a fantastic month full of learning, laughter, and lots of apple fun!

Warm wishes,

Ms. Molly and Mrs. Catherine

Happy September!

It's finally fall! This month we will learn all about this wonderful season and have so much fun with seasonal items such as pumpkins and differently colored leaves! This month we will be focusing on the letters A and M, the numbers 3 and 4, Circles, and the color Red.

Parents, when it comes to starting your potty training journey with your child please communicate with either me or Ms. Samara the appropriate steps we need to take to make sure your child has the smoothest transition possible. Thank you so much!

****August-** September is definitely when sicknesses really start to pick up and spread so please be mindful of those big and small here at NPA if your child is sick.

- If your child has a fever in the morning, please do not give them medicine and bring them in, they are still contagious.
- If your child has a fever the night before school, please keep them home. (we have a 24 hour policy)
- If your child is throwing up the night before or in the morning, please keep them home.
- If your child has had diarrhea 3 or more times within a day, please keep them home.

Thank you all so much!
