Happy FEBRUARY!

This month we are celebrating love, friendship and kindness with your little ones.

Our infants experience love every day through gentle touches, smiling faces, cuddles, caring routines.

In our classroom we will focus on bonding through hugs, exploring emotions through facial expressions and sensory play. Also we are singing loving songs and reading books about families and friendships.

The curriculum for this month will consist of the letter Bb & Ll, numbers 13 & 14, the shape heart and the color pink!

With love,

Mrs. Lumi & Mrs. Soraya

February is all about love, friendship, and kindness in our ones classroom!

This month, we'll be exploring the letters **B** and **L**, learning about the **color pink**, and discovering the **heart** shape through fun, hands-on activities, songs, stories, and art projects.

We'll be talking about gentle touches, caring for our friends, and showing love in simple ways that are perfect for little ones.

As always, we'll continue building routines, encouraging independence, and supporting social and emotional growth. We're so excited to share a month full of love, learning, and lots of sweet moments with your little valentines!

With love,

Ms. Molly and Mrs. Catherine

Welcome to the 4s class! Until the end of the school year we will be preparing for VPK. By the time they leave my class they will know how to cut, glue, read/recognize names as well as be able to write first and last names. The children are doing an amazing job with everything we have been learning. Be proud of their smart little minds and how much they have accomplished, I know I am. We strive for independence in our class. PLEASE SEND IN A SWEATER, it can get really cold in our classroom, it will be sent home on Friday to be washed. Please dress girls in shorts if they are wearing a dress and please no toys from home as they can get lost and taken from cubbies by other children who want to play with it. Thank you for your understanding.

Friendly Reminder:

- Please make sure your child has a water bottle with name every day.
- Extra clothes with name if your child has to change during the week I will send home extra clothes when they are almost out to be restocked.

Thank you,

Mrs. Tonya

VPK

Happy February! This month we will be focusing on sounds of letters, letter and number recognition and missing links. We will introduce sight words, and continue with writing our first and last name independently.

Valentine's day party will be on Friday the 13th. The children will decorate Valentines day boxes at school. We will send home a class list of the children in the class. Or you can just have your child write his/her name on the card to be given out. A sign up sheet will be placed on the door, for our party.

Happy Birthday Miss. Jasmine, Feb. 14th!
