3....2.....1. BLAST OFF INTO SPACE!

This month in our Infant room, we are excited to explore a fun and gentle theme: "To the Moon!"

Our little astronauts will enjoy sensory experiences inspired by the moon, stars and the night time sky.

We will also focus on comfort, bonding and emotional security as we nurture each child's growth at their own pace.

Our letters for this month are Rr & Ee. The number is 9. The shape is the star and the color is black.

We were so excited to welcome our new baby Damien and also to say goodbye to our beautiful baby Clara who is moving to the ones. We will miss you!

We are looking forward to a month full of wonder as we reach for the stars together!

March 2- Dr. Seuss's Birthday

March 17- St. Patrick's Day (we will wear green and learn about the Irish culture and traditions)

Welcome to Mrs. Soraya and Ms. Jasmine's March newsletter! We're excited to kick off this new adventure as your one-year-old teacher, guiding your little ones through a month full of discovery and fun.

We are the new teachers and we plan to do a lot of stuff with your little ones. This March, we'll be focusing on exploring spring themes, observing nature, and celebrating the changing seasons. We are excited to be able to be part of your little one's new steps and their new milestones. Our daily activities will feature hands-on sensory play, story time with spring-themed books and music and movement sessions to encourage movement and coordination. We'll also introduce simple art projects like finger painting and leaf collages to nurture creativity. We look forward to a joyful month filled with learning, growth and new experiences for your little ones!

If you have any questions, please let us know!

Welcome to the 4s class. We are getting close to the end of the school year. As we get closer to VPK please help your children go over their flash cards. The flash cards consist of capital and lower case letters. Please do letter sounds when reviewing the letters, 12 shapes, 12 colors and numbers 1-20. Also please have your child practice recognizing their name. One way to do this is by making flash cards or everyone in the home pets too, and have them pick out their names.

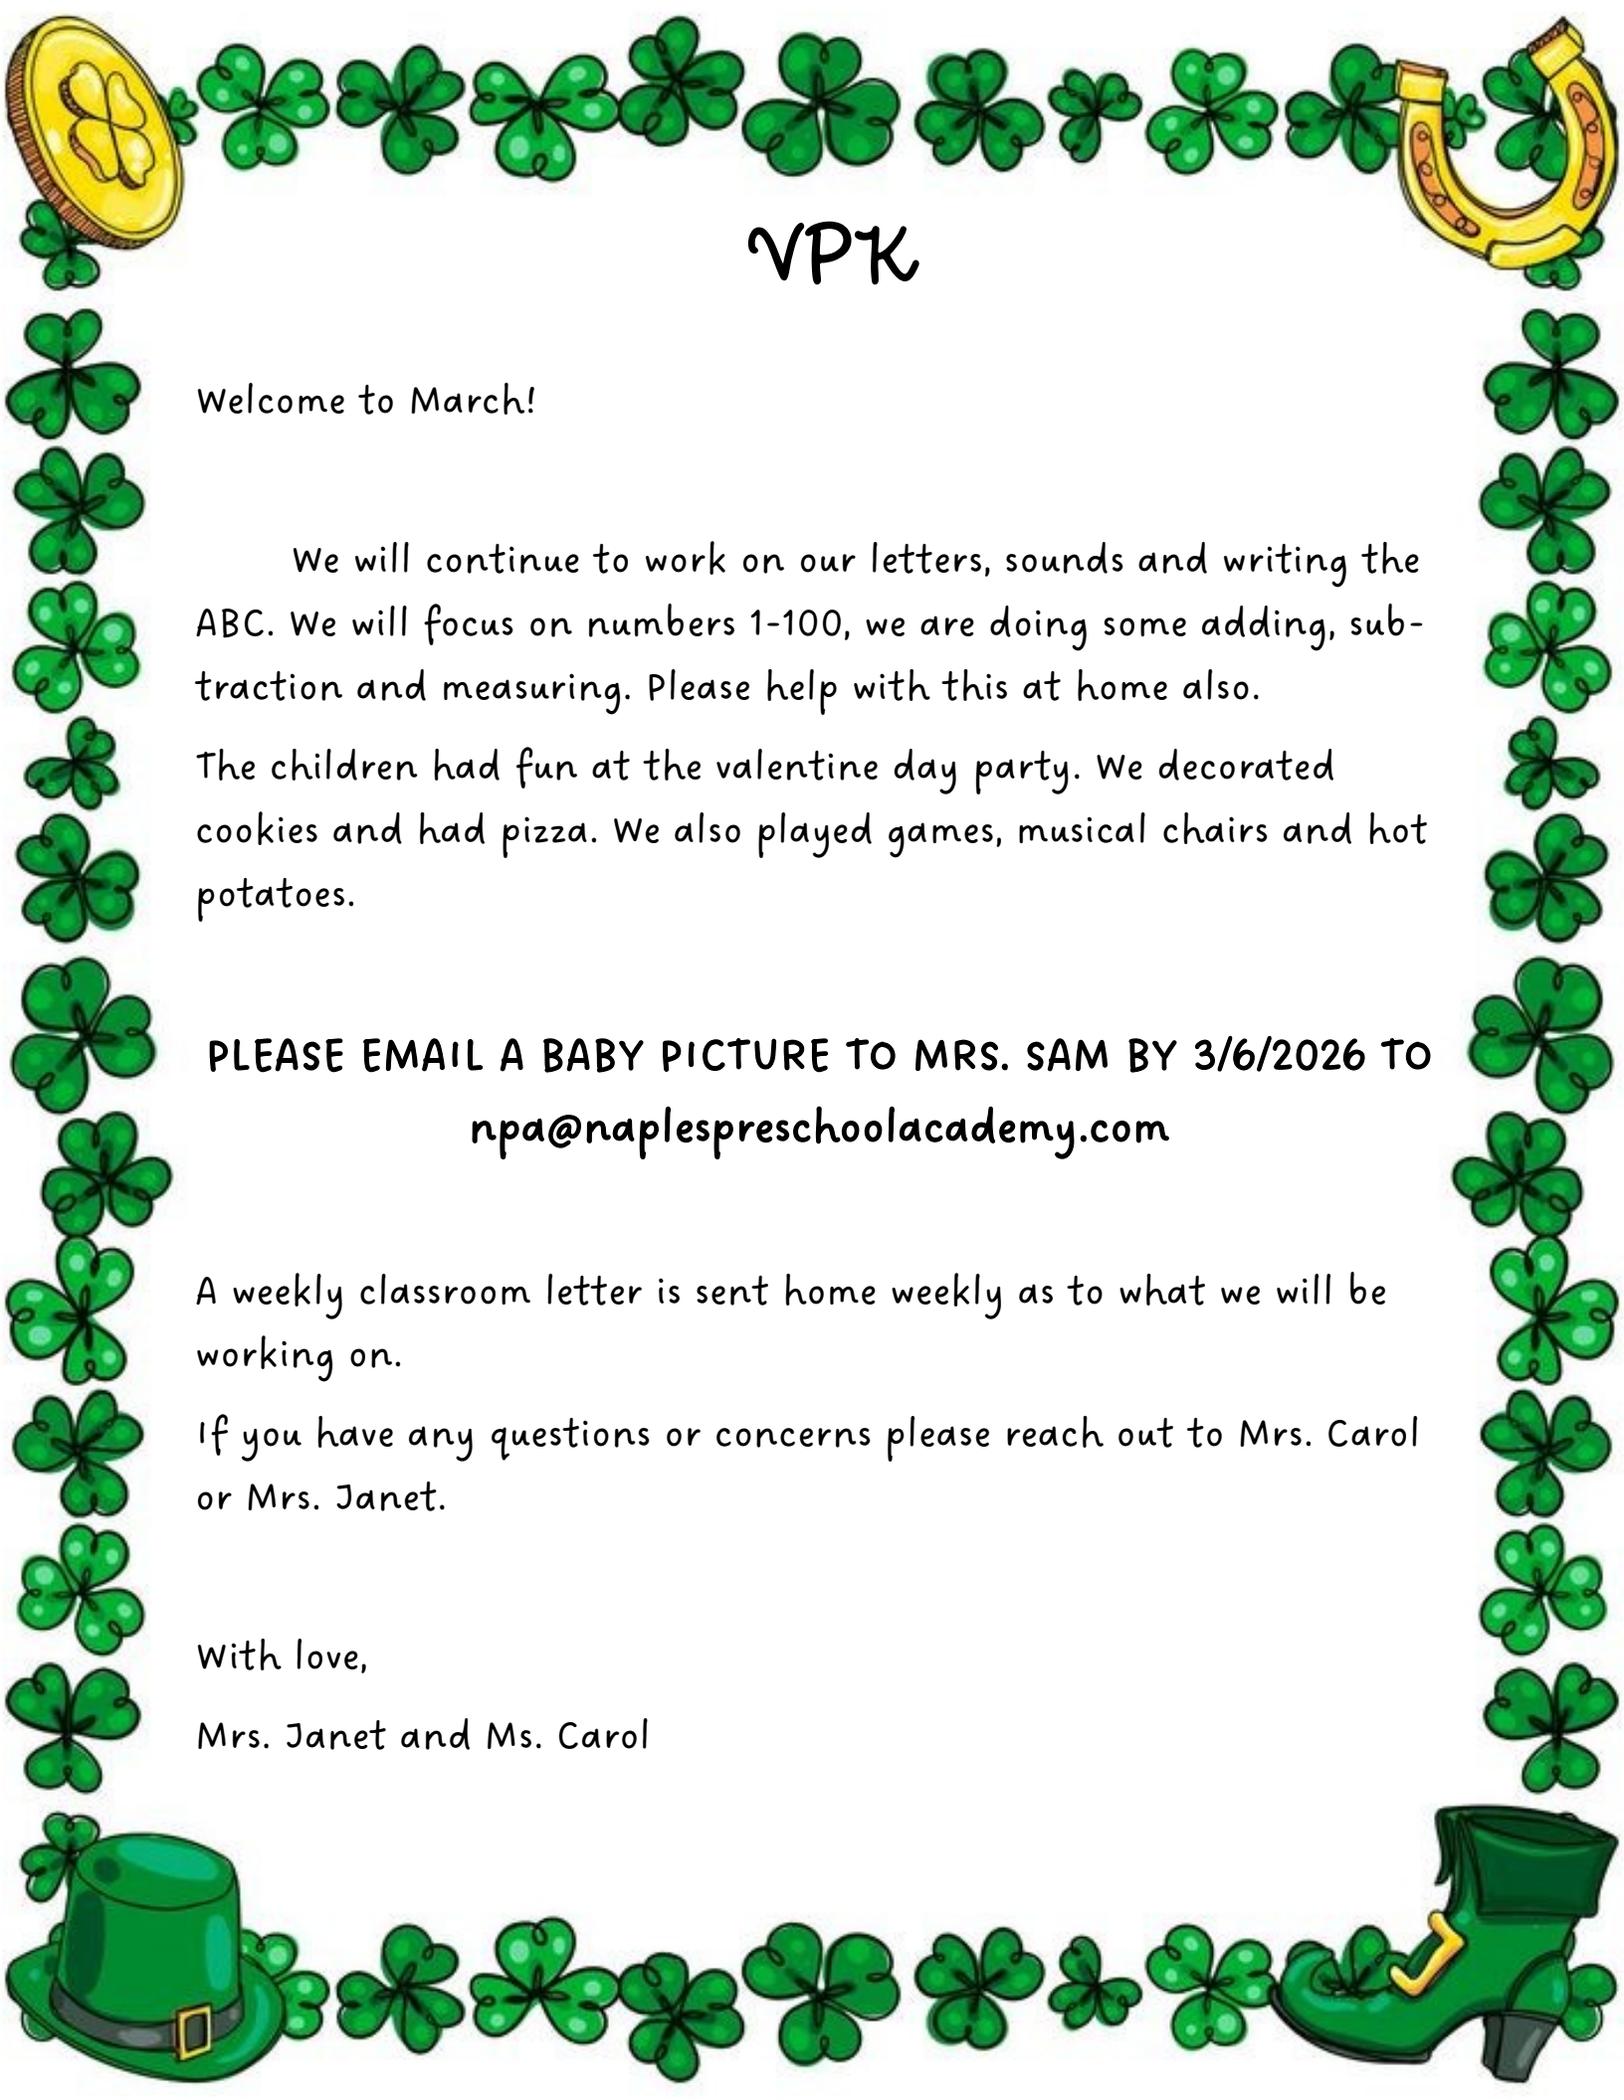

Friendly Reminder:

- Please make sure your child has a water bottle with name every day.
- Please pack extra clothes with their name. If your child has to change during the week, I will send home extra clothes when they are almost out to be restocked.

Thank you Ms. Tonya
