

April 2026 Newsletter

From the office...

Dear Families,

Happy April! We are so excited to welcome a new month full of growth, learning and fun. Our theme for April is "Blooming Everywhere", and we'll be exploring how flowers, plants and even we ourselves grow and change during this beautiful spring season.

This month, our classrooms will be busy with hands-on activities, creative art projects, and new discoveries as we learn all about nature blooming around us. We can't wait to see our students blossom in their own unique ways!

As always, thank you for being part of our preschool community. We look forward to a wonderful month filled with learning, laughter, and growth!

Hello Families!

Welcome to our April edition! This month, our little learners are blossoming beautifully as we explore themes of spring, nature, and new beginnings. We've been engaging in sensory activities like exploring flowers, planting seeds, and enjoying outdoor play-time to encourage curiosity and motor skills. Our story time has featured books about animals and growth, fostering language development and a love for stories. Please remember to send weather-appropriate clothing and any comfort items needed for nap time

What We're Working On:

- Developing motor skills (reaching, rolling, grasping)
- Encouraging social interaction and smiles
- Building daily routines for feeding and naps

Reminders:

- Please label bottles, blankets, and extra clothes
- Send in weather-appropriate clothing
- Let us know about any changes in feeding or sleep schedules.

Love,

Mrs. Soraya

Dear Families,

Spring is blooming everywhere, and we are so excited to welcome this bright and cheerful season into our classroom! With flowers blossoming and the weather warming up, we have planned a variety of fun and engaging activities for our little learners to explore and enjoy.

This month, our classroom will be filled with colorful, hands-on experiences inspired by springtime. The children will enjoy sensory play with flowers, nature walks to observe changes outdoors, and simple art projects using bright spring colors. We'll also sing songs, read stories about nature and growth, and practice important skills through play.

Our activities are designed to support your child's development while encouraging curiosity, creativity, and joy. Whether it's feeling different textures, exploring new sights, or dancing to happy tunes, there will be plenty of opportunities for smiles and discovery!

As always, please make sure your child comes dressed comfortably for both indoor and outdoor play. We look forward to a wonderful season of growth—just like the flowers around us!

Spring is in full bloom, and our classroom is growing and blossoming in so many wonderful ways! This month, our theme "Bloomin' Everywhere" will bring lots of fun, hands-on learning as we explore flowers, plants, and all the beauty of nature around us.

We will be focusing on the letters W and U. Throughout the month, we'll practice recognizing these letters through stories, songs, and playful activities. Keep an ear out for words like water, worm, umbrella, and up!

Our number of the month is 10. We'll be counting flowers, petals, and more as we build our number skills in fun and interactive ways.

The color of the month is purple, so get ready to see lots of beautiful purple art coming home! From painting to coloring, we'll be exploring this vibrant color in creative ways.

Our shape of the month is a rhombus (a "slanted square"!). We'll be learning to create this shape through crafts and activities.

This month, we'll also enjoy sensory play, nature-inspired crafts, and plenty of opportunities to grow our social skills as we learn and play together.

Thank you for your continued support—we are so excited to watch your little ones bloom this season!

Reminders:

- Please send your child with weather-appropriate clothing.
- Label all belongings.
- Be sure to check cubbies daily for artwork!

With love,
Ms. Molly & Mrs. Catherine

Number(s) of the month: 17 and 18

Shape of the month: Rhombus

Color of the month: Purple

Welcome to the 4s class. We are getting close to the end of the Alphabet. We will continue to review the alphabet. As well as rhyming and other activities to help get ready for VPK. Please continue to work on flash cards at home and recognition of names. Thank you for the support. We strive for independence in our class.

Friendly Reminder:

- Please make sure your child has a water bottle with name every day.
- Extra clothes with name if your child has to change during the week I will send home extra clothes when they are almost out to be restocked.

Thank you,

Mrs. Tonya

Welcome to April!

We will continue to work on our letters, sounds and writing our name, first and last. We will focus on numbers 1-100, we are doing some adding, subtraction and measuring. Please help with this at home also.

We need to get all our baby photos to Mrs. Sam. Please email to Npa@Naplespreschoolacademy.com

We will be starting to practice for our graduation, which will be in May. The children work really hard on this. It is a lot of work and lots of fun.

- March 30-April 2nd: Easter Activities. We will post activities on the classroom door.
- Please mark all water bottles and belongings with the child's name!!!
- A weekly classroom letter is sent home weekly as to what we will be working on.
- Please have children to school by 8:30 am.

If you have any questions or concerns please reach out to us!
